To receive financial aid, all new, transfer, continuing and returning students must demonstrate they are successfully working toward completing their degree program in a timely manner. Every semester (Fall, Spring and Summer), Houston Community College is required by the federal government to evaluate whether you meet the Satisfactory Academic Progress (SAP) requirements to receive financial aid. Details of the SAP policy, measurements, and appeal procedures can be found online at <https://www.hccs.edu/applying-and-paying/financial-aid/satisfactory-academicprogress/>.

We understand that sometimes there are things out of your control that negatively affect your ability to meet SAP requirements. If there were justifiable reasons or extenuating circumstances that made you unable to meet the GPA and completion requirements noted below, you may submit a SAP appeal (with supporting documentation) to the financial aid office to regain financial aid eligibility. Submitting an appeal for reinstatement of your financial aid eligibility does not guarantee that reinstatement will be granted.

PLEASE SELECT REASON YOU ARE NOT MEETING SAP REQUIREMENTS (MUST CHECK ONE):

GRADE POINT AVERAGE (GPA)

Students must maintain a 2.0 cumulative GPA.

COMPLETION RATIO

Students must complete at least a minimum of 67% of ALL the credit hours attempted. For every class hour you attempt, you MUST complete and pass a minimum of 67% of them. Remember, all "attempted" credit hours is every hour you're enrolled, including repeat courses, developmental courses, and EVEN courses with grades of "F", "W", "I", or "IP."

MAXIMUM TIME FRAME

Students receiving financial aid funds will be expected to complete their HCC educational program within 150% of the published length of the academic program or certificate (including developmental classes).

Students may request to have their maximum timeframe extended under the following circumstances:

I have an Associate's Degree and am pursuing a dual or second degree or certificate.

I have earned a Bachelor's Degree (or higher) and am pursuing another degree or certificate.

Important: A student must declare a certificate or degree and only enroll in classes that are on the approved academic advisement plan. The student is responsible for informing the Financial Aid Office of any updates or changes to academic advisement plan.

Disclosure

Federal regulations require all financial aid recipients to maintain Satisfactory Academic Progress (SAP). HCC has established guidelines to measure whether a student is satisfactorily progressing towards completion of his or her program of study. SAP includes both quantitative and qualitative measures. Standards of SAP determine continued

eligibility for aid. SAP measurements include all previous academic history, even if the student did not receive financial aid. Statuses are updated at the end of each semester, including summer. It is the student's responsibility to monitor academic progress. Although the Financial Aid Office attempts to send students correspondence informing them of their status, students who do not meet the standards will be ineligible for financial aid even if they do not receive correspondence. Details of the SAP policy, measurements, and appeal procedures can be found online at <https://www.hccs.edu/applying-and-paying/financial-aid/satisfactory-academic-progress/>.
