

Confidentiality Request (Directory Information)

Houston Community College System considers name, address, telephone, date of birth, degrees earned and dates, major field of study, dates of attendance, and number of semester hours completed and in progress, enrollment status, student classification and name of most recent institution attended as directory information. This is done in compliance with the Texas Open Records Law.

If you do not want this information released, please complete and sign this form and return to the college Registration Office.
