

Houston Community College

GED Connection to College and Careers Program

An Adult Education Program

Receive your GED and prepare for a career at the same time

Preparation for the GED exam while focusing on a career path with Houston Community College's **GED Connection to College and Careers Program**:

GED Connection to Professional Careers

GED Prep Sessions:

Participate in academic preparation that develops students' reading, writing, and math skills in preparation for the GED and post-secondary education simultaneously. Classes meet for twelve hours a week.

College and Career-Related Coursework

Develop your academic skills through career-related class work, assignments and readings. Classes meet for three to six hours a week.

College and Career Pathways Counseling

Discover your career options. Besides career-related coursework, HCC's dropout recovery program manager will work with you one-on-one to complete a college and career interest and skills inventory. You will learn about high-growth industries, professional occupations, and the connection between school and work, and college options.

College Readiness Activities

Get ready for college with activities such enrolling in HCC's GUST 1270 COLLEGE AND CAREER PLANNING course; creating course portfolios; visiting college classes during "College Student for A Day;" and attending financial aid and college knowledge workshops.

Transition Support Services

Continuous assistance is provided to GED Connection graduates, as you progress to college or certification programs. This includes assistance with applying to college and/or certificate programs, financial aid guidance, educational case management, academic advisement and tutoring.

Program Requirements

- 17 - 25 years of age
- Intermediate educational functioning level or higher
- Specific college and career ambitions

Locations:

HCC Central College
HCC Northeast College
HCC Southeast College
