### Development and Installation of an Academic and Events Scheduling Software Application

Date: October 21, 2005

To: All Prospective Respondents

From: Houston Community College System, Purchasing Department

Subject: Informational Letter #1 - Request for Proposals (RFP) for Development and Installation of an Academic and Events Scheduling Software Application

The following written questions regarding subject RFP were received in the purchasing department prior to the question submission deadline of October 20, 2005 at 4:30 p.m. (local time).

Question #1:

Does our proposed application have to run off of the Oracle 9 or higher RDBMS on Sun Platform Systems or can it continue to run off a Microsoft SQL Server platform?

HCCS Answer:

Any proposed application shall run on a Sun Platform and Oracle 9 or higher. Please refer to the scope of services (paragraph 2.5, Attachment No. 3).

Question #2:

Please provide a break down of the full time equivalent (FTE) enrollment for each of the six (6) Colleges that make up the Houston Community College System.

HCCS Answer:

This information can be found on the HCCS Website at the following link, (page #6): <http://www.hccs.edu/system/admin/research/headctrpts/sp05hdct.pdf>

Question #3:

On Attachment No. 3 (Scope of Services), item.2.1 ends in a colon. Are there additional items/requirements that should be listed after the colon? Or, is item 2.2 the first requirement?

HCCS Answer:

Item 2.2 is the first requirement.
