Dear Parent:

Your student has expressed an interest in the Houston Community College System Upward Bound Program. Upward Bound provides academic counseling and cultural enrichment activities to its participants to better prepare them for entrance into a post-secondary educational institution.

Upward Bound is a federally funded program and ALL participants must meet federal guidelines according to the U.S. Department of Education. All of the data requested in the application packet is necessary to adequately assess your child's eligibility for the program and needs for program services. The Upward Bound Program prides itself in meeting individual needs which are determined partly through a review of the application materials. Therefore, we ask that you review carefully all statements and respond accordingly. All records are kept confidential. However, the federal government does request certain data on students to evaluate the effectiveness of the program and our adherence to federal regulations.

Participation in the Upward Bound Program is a big commitment on the student's part; weekly Saturday sessions during the academic year and a mandatory six-week Summer component each year until he/she graduates from high school requires a lot of will power and motivation. Your support will be needed and expected throughout this period.

We the HCCS Upward Bound Staff will support your student achieve his/her desired educational goals. We look forward to working together on your student’s educational journey.

Sincerely,

Upward Bound Staff
Dear Applicant:

Thank you for your interest in the HCC*Central Campus Upward Bound Program. Upward Bound is federally funded and all participants must meet eligibility criteria. **Your completion and return of all requested documents will help us to quickly determine your eligibility.** Advisor will schedule an appointment with the parent and student for a face-to-face interview.

**Before a student is officially admitted into the Upward Bound Program, a probationary period of six (6) Saturdays must be completed during the Academic Year.** If student starts during the Summer Component a **probationary period of ten (10) days** must be completed to qualify for stipend.

This probationary period will monitor attendance, behavior, attitude, participation and high school grades during each Saturday session. Stipend will not be provided during this probationary period. Once the six (6) Saturdays or ten (10) days have been completed and the student successfully meets the established criteria, then the student will be officially admitted into the program and will begin to earn a stipend. We are providing an application packet which, should be completed and returned to the Advisor or the address below. All information will be kept confidential. Students are not allowed to attend Upward Bound until approved by Director. Please answer all questions, and if something does not apply, write N/A in the space provided.
