RE: Program #0180

Previous Accreditation Status: 8 Years

Most Recent Site Visit: 07/2021

Dear Dr. Harrison:

After review of the requested interim report, the continuing accreditation status of the associate degree radiography program, which includes evening and part-time curricular tracks, sponsored by Houston City College/Coleman College of Health Sciences was considered at the October 24, 2025 meeting of the Joint Review Committee on Education in Radiologic Technology (JRCERT). The JRCERT is the only agency recognized by the United States Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA) for the accreditation of traditional and distance delivery educational programs in radiography, radiation therapy, magnetic resonance, and medical dosimetry. Specialized accreditation awarded by the JRCERT offers institutions significant value by providing peer evaluation and by assuring the public of quality professional education in the radiologic sciences. The program was evaluated according to the **Standards for an Accredited Educational Program in Radiography (2021)**. The program documents compliance with all relevant Standards; therefore, the JRCERT awards:

MAINTENANCE OF ACCREDITATION FOR A PERIOD OF EIGHT YEARS.

The next site visit is tentatively scheduled for the Third Quarter of 2029.

The program is advised to review the assessment plan to assure assessment tools accurately measure the associated student learning outcome and that benchmarks are appropriately identified to gauge student achievement. Program officials are strongly encouraged to attend a JRCERT-sponsored Outcomes Assessment Workshop. A complete listing of dates and locations for all JRCERT-sponsored seminars and workshops is available at www.jrcert.org/events.

The program is also advised that consistent with JRCERT Policy 11.600, the JRCERT reserves the right to conduct unannounced site visits of accredited programs. The sponsoring institution would be responsible for the expenses of any onsite evaluation.

The Joint Review Committee on Education in Radiologic Technology Directors and staff congratulate you and the program faculty for maintaining the maximum award of accreditation from the JRCERT and wish you continued success in your efforts to provide a quality educational program. If we can be of further assistance, do not hesitate to contact the office.

Sincerely,

Kae B. Fleming, Ed.D., R.T.(R)
