Assessment Plan for Forms of Literature I Required Core Objectives: Communication, Critical Thinking, Personal and Social Responsibility for Literature

I. Methodology for Assessment:

A. How will the core objectives be covered in the course?

The core objectives will be covered in the course in a series of assignments. Faculty provide various assignments including, but not limited to, reflection paper, literary-analysis essay, research paper, journal writing, presentations, creation of digital objects, exams, project-based assignment, and peer review. Students will receive instruction on how to access and use Ask Online for free tutorial assistance on written assignments and receive information on local campus or college face to face tutoring in written and oral/visual communication.

B. Provide the specific assessment methodology.

Literature courses in the English Program are part of a cycle of assessment. Each year, the Program assesses the core objectives of a different course rubric. The literature courses are assessed as a grouping across the rubric 23XX. Call for student artifacts are randomized across instructor course CRN. Three instructors from each of the following demographics are selected for assessing the core objectives: Central, Southeast, Southwest, Northeast, Northwest, Dual Credit, and Online. Once selected, the instructor submits a full set of artifacts from an assignment that they determine best reflects the core objectives. The Program Assessment Committee selects, and continues to review, the rubric for assessment. This committee convenes annually for assessing the core objectives; the final reports are documented in The Learning Web. The report and selected rubric will be documented in TracDat once a space for reporting assessment of the core is created in this platform. The Program Coordinator shares the report with English faculty during Program meetings.

C. How will the assessment count within the course?

Instructors distribute the final course weight across all assignments. Taken together, the assignments equal 100. An A ranges from 90-100. A B ranges from 80-89. A C ranges from 70-79. A D ranges from 60-69. An F ranges from 59 and lower.

D. Explain how your plan includes a representative sample of HCC faculty and students.

Three CRNs are randomly selected from the following demographics: Central, Southeast, Southwest, Northeast, Northwest, Dual Credit, and Online.

II. Rubric: How will the appropriate rubric(s) be incorporated in the course?

The Program Assessment Committee selects, and continually reviews, the rubrics. They are housed in The Learning Web. The Program Coordinator shares the rubrics with instructors during Program meetings.
III. Results:

Describe the process of evaluating the results.

The English Program Committee meets to assess, discuss, and evaluate the results of the assessment. The committee devises intervention plans in response to the data. The Program Coordinator provides the information to faculty during Program meetings. The findings and interventions are embedded in various English Program Professional Development events: retreats, colloquia, and conferences.

Analysis:

A. How will the results will be documented and archived?

A summary of the results will be archived in The Learning Web. The summary will also be archived in TracDat once space for this report is created in this platform.

B. Describe how the results will be used to improve student learning.

The Program Assessment Committee meets to assess, discuss, and evaluate the results of the assessment. The committee devises intervention plans in response to the data. The Program Coordinator provides the information to faculty during Program meetings. The findings and interventions are embedded in various English Program Professional Development events: retreats, colloquia, and conferences. Faculty regularly attend conferences on best practices for teaching and learning. The Program reviews relevant speakers to invite to Professional Development programming. All English faculty are involved in deciding how to improve teaching and learning and will make suggestions for future assessments.

Students enrolled in this core curriculum course will complete assignments designed to cultivate the following core objectives:

- **Critical Thinking Skills**—to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information.
- **Communication Skills**—to include effective development, interpretation and expression of ideas through written, oral and visual communication.
- **Personal Responsibility**—to include the ability to connect choices, actions, and consequences to ethical decision-making.

**Ability Services:**
Houston Community College is dedicated to providing an inclusive learning environment by removing barriers and opening access for qualified students with documented disabilities in compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act. Ability Services is the designated office responsible for approving and coordinating reasonable accommodations and services in order to assist students with disabilities in reaching their full academic potential. In order to receive reasonable accommodations or evacuation assistance in an emergency, the student must be registered with Ability Services.

If you have a documented disability (e.g. learning, hearing, vision, physical, mental health, or a chronic health condition), that may require accommodations, please contact the appropriate Ability Services Office below. Please note that classroom accommodations cannot be provided prior to your Instructor’s receipt of an accommodation letter and accommodations are not retroactive. Accommodations can be requested at any time during the semester, however if an accommodation letter is provided to the Instructor after the first day of class, sufficient time (1 week) must be allotted for the Instructor to implement the accommodations.

**Accommodations due to a Qualified Disability:** HCC strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please meet with a campus Abilities Counselor as soon as possible in order to establish reasonable accommodations. Reasonable accommodations are established through an interactive process between you, your instructor(s) and Ability Services. It is the policy and practice of HCC to create inclusive and accessible learning environments consistent with federal and state law. For more information, please go to [http://www.hccs.edu/support-services/disability-services/](http://www.hccs.edu/support-services/disability-services/)
**Libraries:** HCC has a Learning Resource Center at each campus for student use. The library provides electronic resources including an online catalog system as well as numerous databases that contain full-text articles all available at [https://library.hccs.edu](https://library.hccs.edu). Additionally, many of the required texts are on reserve at the library. Find out library locations and hours here: [http://library.hccs.edu/about_us/locations_hours](http://library.hccs.edu/about_us/locations_hours)

**Online Tutoring:**
The goal of online tutoring is to help students become academically independent through guided assistance by HCC faculty or faculty-eligible tutors in almost all departments. Our tutoring is asynchronous, which means that it is NOT real-time.

Students can get real-time help on campus and through several textbook sources. We believe that when tutors can take time to absorb and analyze the work, we give a different type of help. Because the tutoring is asynchronous, it is important for students to plan ahead. It generally takes about two days to get a complete review back, and it may be longer than that when hundreds of papers come in every day for several days in a row. It is crucial for students to look at the yellow banner on the log-in page to see how long the turn-around time is.

Students can submit work 24/7/365; we tutor even when the college is closed for holidays or natural disasters. All HCC students can take advantage of online tutoring by logging on to [https://hccs.upswing.io/](https://hccs.upswing.io/). The HCC email address and the associated password get students into the online tutoring site, so when the email password changes, so does the Upswing password.

**Open Computer Labs:** Students have free access to the internet and word processing in open computer labs available at HCC campuses. Check on the door of the open computer lab for hours of operation.

**Tutoring Centers:**
The HCC Tutoring Centers provide academic support to our diverse student population by creating an open atmosphere of learning for all students enrolled at HCC. Using a variety of tutoring techniques, we assist students across academic disciplines, addressing their individual needs in a constructive, safe, and welcoming environment. Our emphasis is on maximizing academic potential while promoting student success and retention. We are committed to helping students achieve their educational, personal, and career goals by empowering them to become confident, independent, lifelong learners.

Tutoring for individual subjects is offered at specific times throughout the week on various campuses. There is no need to make an appointment. If you need a tutor, please refer to our website: [http://ctle3.hccs.edu/alltutoring/](http://ctle3.hccs.edu/alltutoring/) for times and locations. For more information about tutoring at HCC, please go to hccs.edu/district/students/tutoring.

**Important HCCS and Course Policies:**
Please see [http://www.hccs.edu/resources-for/current-students/student-handbook/](http://www.hccs.edu/resources-for/current-students/student-handbook/) for any changes to HCC policies that might happen during the semester.
**Academic Honesty:** A student who is academically dishonest is, by definition, not showing that the coursework has been learned, and that student is claiming an advantage not available to other students. The instructor is responsible for measuring each student’s individual achievements and also for ensuring that all students compete on a level playing field. Thus, in our system, the instructor has teaching, grading, and enforcing roles. You are expected to be familiar with the HCC’s policy on Academic Honesty found in the catalogue. What that means is that if you are charged with an offense, pleading ignorance of the rules will not help you.

Just so there is no misunderstanding, plagiarism (using another's ideas or words without giving credit), collusion (unauthorized collaboration with another person in preparing written work offered for credit), and other forms of cheating will not be tolerated. To be accepted, all papers require proof of their development. Students who plagiarize, collude, or cheat may face disciplinary action including the grade of 0 for the assignment, an F for the course, and/or dismissal from the college. (See Student Handbook)

**Attendance:** Attendance, preparedness, and participation are essential for your success in this course. HCC does not differentiate between excused and unexcused absences. If you are not in class, you are absent. HCC Policy states that you can miss up to but not exceeding 12.5% of class hours, which is equivalent to 6 hours. When you miss class, you are still responsible for what happens in class. Keep in mind that whatever the reason for your absence, you will still miss important course work. If you know you must be absent or if you have an emergency, let me know before class and make plans to meet with me in office hours. If you have more than four (4) absences before the official date of record (<<Insert Appropriate Date Here>>), you may be automatically withdrawn from the course.

**Campus Carry:** At HCC the safety of our students, staff, and faculty is our first priority. As of August 1, 2017, Houston Community College is subject to the Campus Carry Law (SB11 2015). For more information, visit the HCC Campus Carry web page at [http://www.hccs.edu/departments/police/campus-carry/campus-carry-and-open-carry-faqs/](http://www.hccs.edu/departments/police/campus-carry/campus-carry-and-open-carry-faqs/)

**Campus Safety:** If you are on campus and need emergency assistance, call 713-718-8888 or, from any campus phone, 8-8888. Use this emergency number instead of 911, which gets routed back to the HCC Police Department dispatch thus lengthening response time to your emergency situation.

**EGLS3 (Evaluation for Greater Learning Student Survey System):** At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Go to [http://www.hccs.edu/resources-for/current-students/egls3-evaluate-your-professors/](http://www.hccs.edu/resources-for/current-students/egls3-evaluate-your-professors/) for directions.

**Final Grade of FX:** Students who stop attending class or stop actively participating in class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their
professor for excessive absences or be assigned the final grade of FX at the end of the semester. Students who stop attending classes or who stop actively participating in classes will receive a grade of FX, as compared to an earned grade of F, which is due to poor performance. Logging into a DE course without active participation is considered non-attending.

Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of FX is treated exactly the same as a grade of F in terms of GPA, probation, suspension, and satisfactory academic progress.

**HCC Online**: (To be included in syllabi for HCC Online courses only): Access HCC Online Policies on their Web site: [http://www.hccs.edu/online/](http://www.hccs.edu/online/)

All students are responsible for reading and understanding the HCC Online Student Handbook, which contains policies, information about conduct, and other important information. For the HCC Online Student Handbook click on the link below or go to the HCC Online page on the HCC website. The HCC Online Student Handbook contains policies and procedures unique to the online student. Students should have reviewed the handbook as part of the mandatory orientation. It is the student's responsibility to be familiar with the handbook's contents. The handbook contains valuable information, answers, and resources, such as HCC Online contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the HCC Online Student Handbook by visiting this link: [http://www.hccs.edu/media/houston-community-college/distance-education/student-services/HCC-Online-Student-Handbook.pdf](http://www.hccs.edu/media/houston-community-college/distance-education/student-services/HCC-Online-Student-Handbook.pdf)

**International Students**: Receiving a W in a course may affect the status of your student Visa. Once a W is given for the course, it will not be changed to an F because of the visa consideration. Since January 1, 2003, International Students are restricted in the number of distance education courses that they may take during each semester. International students must have full-time enrollment status of 12 or more semester credit hours, and of these at least 9 semester credit hours must be face-to-face on-campus courses. Please contact the International Student Office at 713-718-8521 or email int_student_svcs@hccs.edu, if you have any questions about your visa status and other transfer issues.

**Repeating Courses**: Students who repeat a course for three or more times will face significant tuition/fee increases at HCC and other Texas public colleges and universities. Please ask your instructor or counselor/advisor about opportunities for tutoring and/or other assistance prior to considering course withdrawal or if you are not receiving passing grades.

**Sexual Misconduct**: Houston Community College is committed to cultivating an environment free from inappropriate conduct of a sexual or gender-based nature including sex discrimination, sexual assault, sexual harassment, and sexual violence. Sex discrimination includes all forms of sexual and gender-based misconduct and violates an individual’s fundamental rights and
personal dignity. The director of EEO/Compliance is designated as the Title IX Coordinator and Section 504 Coordinator. All inquiries concerning HCC policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504) and complaints may be directed to: David Cross, Director EEO/Compliance, Office of Institutional Equity and Diversity, 3100 Main, Houston, TX 77266-7517, or institutional.equity@hccs.edu.

Title IX prohibits discrimination on the basis of sex-including pregnancy and parental status-in educational programs and activities. If you require an accommodation due to pregnancy please contact an Abilities Services Counselor. The Director of EEO/Compliance is designated as the Title IX Coordinator and Section 504 Coordinator.

**Withdrawal Policy:** Before withdrawing from the course, it is important to communicate with your professor and counselors to discuss your options for succeeding in the course. If all other options have been exhausted, you may withdraw yourself, but the last date to withdraw this semester is **<<Insert Appropriate Date Here>>**. Please remember that it is the student’s responsibility to withdraw from a course. If you stop attending the class and don’t withdraw by this date, you are subject to the FX grading policy.
