

Dear Neighbors,

Since becoming your District I Houston Community College Trustee on January 1, my goal to increase enrollment has been challenged by COVID-19. Still, we have remained #HCCStrong. HCC is open and safe with flexible ways for you to begin or resume your learning experiences during this pandemic.

HCC is offering four attendance options to help you achieve your educational goals:

- **Flex Campus:** Students enroll in classes and have the choice to attend either online or in person at the scheduled dates and times
- **Lab-Based Courses:** HCC's skills-based, hands-on lab courses host fewer students per section to enable social distancing
- **Online Anytime:** Students take classes online at any time. These are traditional online classes, and students never come to campus
- **Online on a Schedule:** Students take classes online at scheduled class time they select when enrolling, and never come to campus

There are new in-person protocols for students, faculty and staff. Everyone must pass a pre-screening each day before coming to campus. We have temperature checks at entrances, more surface cleaning and additional sanitizer stations. We also have added extra classes and rearranged classrooms to ensure social distancing. When on campus, do your part by wearing a mask, staying six feet apart and washing your hands regularly. If you are sick, please stay at home.

Get started today at [hccs.edu/now](https://hccs.edu/now) for Spring 2021 enrollment and financial aid information.

Need a computer and a connection? Visit [hccs.edu/techhelp](https://hccs.edu/techhelp) for information about free and reduced-cost technology. Go to [hccs.edu/careerhub](https://hccs.edu/careerhub) to find a job or check out our Office of Entrepreneurial Initiatives for help growing your business. Visit [hccs.edu/childcare](https://hccs.edu/childcare) for more information about child care resources. In-person support for enrollment, advising and financial aid is also available by appointment.

We can't wait to see you!

In service,

Monica Flores Richart  
HCC Board of Trustees  
District I

The HCC Northline Campus activities and their outstanding auto body program

- ▶ The Northline Campus is an instructional center that serves communities near main thoroughfares I-45 North, 610 West, and the Northline METRO Rail Red Line. The campus offers a one-stop shop for academic education and workforce training, student services, cultural activities and student life
- ▶ Students are able to complete courses that lead to certificates and associate degrees, continuing education as well as Adult Basic Education close to home
- ▶ The Northline Campus is known for specialized programs that include business, cosmetology, and art that is supported by a student Art Gallery
- ▶ The Automotive Technology Training Center is also an extension of the Northline Campus where students are trained for work as auto body, diesel, and automotive technicians
