Pin survey to home screen on Android

Pinning survey to a home screen on Android makes it available for quick entry. This is especially useful for survey that need to be filled in on a regular basis. After opening the form, *but before answering any questions*, **launch Chrome for Android** and open the survey:

Before you start to the form, tap the **menu** button and tap **'Add to home screen'**

Enter a **name** for the shortcut and click **'Add'**

Click **'Add automatically'**

Chrome will add it to **your home screen**
